

# Questions for Kids Interested in The Music Industry

Encouraging kids to explore the music industry is a challenging and rewarding endeavor. Here are some kid-friendly questions to spark their interest and provide insights into the music industry:

**1. What Instruments Do You Enjoy Playing?**

- This question helps identify their musical interests and strengths.

**2. Who Are Your Favorite Musicians or Bands?**

- Understanding their musical preferences can provide insight into the genres and styles they may be interested in.

**3. Have You Written Any Songs or Lyrics?**

- Encourage creativity by asking if they have ever tried writing their own songs or lyrics.

**4. What Type of Music Do You Dream of Creating?**

- Explore their aspirations and the kind of music they envision themselves making.

**5. Do You Enjoy Performing in Front of Others?**

- Assess their comfort level with performing, whether it's in front of family, friends, or a larger audience.

**6. Have You Ever Thought About Recording Your Music?**

- Introduce the concept of recording and producing music as a way to share their talent with a broader audience.

**7. Do You Know How Musicians Make Money?**

- Discuss the various revenue streams in the music industry, such as live performances, streaming, and merchandise.

**8. Have You Considered Joining a School Band or Choir?**

- Suggesting involvement in school music programs can provide valuable experience and opportunities.

**9. Are There Any Music Careers You're Curious About?**

- Explore their awareness of different roles in the music industry, such as a musician, producer, songwriter, or even a music executive.

**10. Would You Like to Learn More About the Business Side of Music?**

- Introduce the idea of understanding contracts, marketing, and other aspects of the music business.

***“We believe in keeping the questions open-ended and fostering an environment where they feel comfortable expressing their thoughts and aspirations”***
